A NOTE ABOUT THE BEST BUTCHER WE'VE EVER WORKED WITH - WALTER ROSE & SON

Walter Rose & Son are a fifth-generation family butcher based in Devizes. They work with a network of British farmers who share their commitment to high-welfare, responsibly reared livestock.

They are the best butcher we've ever worked with which is why we're proud to work with them and serve their produce on our menu.

DID YOU KNOW?

There has been an inn on this site since at least 1615, making The King's Arms one of Shaftesbury's oldest establishments. The town itself was founded around 880AD by King Alfred as a fortified Saxon settlement on a greensand ridge above the Blackmore Vale, later becoming home to the influential Shaftesbury Abbey, the first religious house for women in England, dissolved in 1539.

Just beyond our doors lies Gold Hill - a historic, cobbled street preserved in the national imagination through the 1973 Hovis advert, directed by filmmaker Ridley Scott.
